## AMENDMENT TO RULES COMMITTEE PRINT 116– 57

## OFFERED BY MR. RESCHENTHALER OF PENNSYLVANIA

At the end of subtitle E of title II, add the following new section:

| 1  | SEC. 2 SENSE OF CONGRESS ON THE ADDITIVE MANU-       |
|----|--|
| 2  | FACTURING AND MACHINE LEARNING INITIA-               |
| 3  | TIVE OF THE ARMY.                                    |
| 4  | It is the sense of Congress that—                    |
| 5  | (1) the additive manufacturing and machine           |
| 6  | learning initiative of the Army has the potential to |
| 7  | accelerate the ability to deploy additive manufac-   |
| 8  | turing capabilities in expeditionary settings and    |
| 9  | strengthen the United States defense industrial sup- |
| 10 | ply chain; and                                       |
| 11 | (2) Congress and the Department of Defense           |
| 12 | should continue to support the additive manufac-     |
| 13 | turing and machine learning initiative of the Army.  |
